

Hey Buddy Grinder

Coffee Bean Grinder

The Hey Buddy is a professional on-demand espresso grinder built for consistent, everyday performance in commercial coffee environments. Featuring 64 mm hardened steel flat burrs and a 3.5-inch responsive touchscreen interface, it delivers precise, repeatable dosing with minimal waste. Quiet, compact and easy to clean, it is ideal for businesses grinding up to 2 kg of coffee per day, offering high-quality grinding without added complexity.

“

Professional performance made easy,
it's the perfect addition to our coffee counter.”
