

MIRAGE

OASIS

Water Cooler

**A STYLISH FLOOR STANDING
BOTTLED WATER COOLER
WITH BOTTOM LOADING FOR
EASY MAINTENANCE.**

The Oasis Mirage is a versatile water cooler that's ideal for commercial environments where a mains fed water supply is not available. Unlike traditional bottle fed coolers, the Mirage is loaded from the bottom, meaning no more heavy lifting. Suitable for standard 19-litre water cooler bottles only.

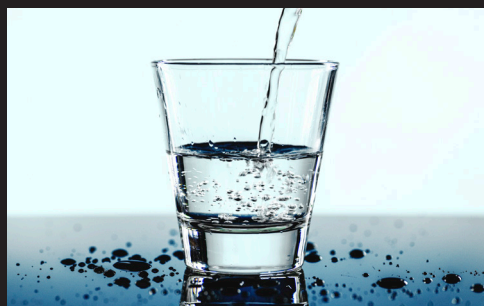

NO HEAVY LIFTING

Bottom load access eliminates the need for heavy lifting of large water bottles.

CHILLED & AMBIENT

Choose from crisp chilled or ambient room temperature drinking water.

ROBUST DESIGN

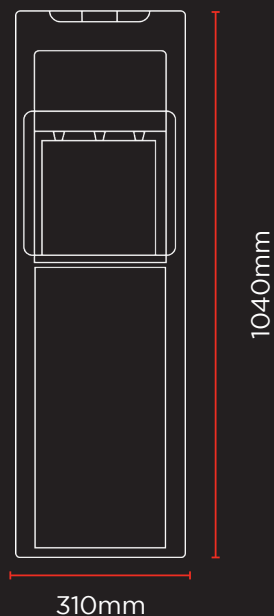

Built to last, the cabinet is constructed from high impact polymer and features a dishwasher safe drip tray for easy cleaning and maintenance.

FEATURES
