

POLARIS

OASIS

Water Cooler

An ultra compact
countertop water
dispenser offering chilled,
boiling and ambient water.

The Oasis Polaris provides quick and convenient access to delicious fresh drinking water at the touch of a button. With one of the smallest footprints on the market and a stylish modern design, the Oasis Polaris fits perfectly into even the smallest of workplace kitchens, allowing your team to prepare hot and cold beverages quickly and with ease.

TALL DISPENSE AREA

The Polaris may be small, but it still features a 275mm dispense big enough for refillable sports bottles.

COMPACT FOOTPRINT

Less than 430mm tall, the Oasis Polaris offers a compact counter-top water dispenser that fits neatly under wall mounted kitchen cabinets.

PORTION CONTROL

Choose from 3 conveniently pre-programmed cup sizes or free pour your desired amount of chilled, boiling or ambient water.

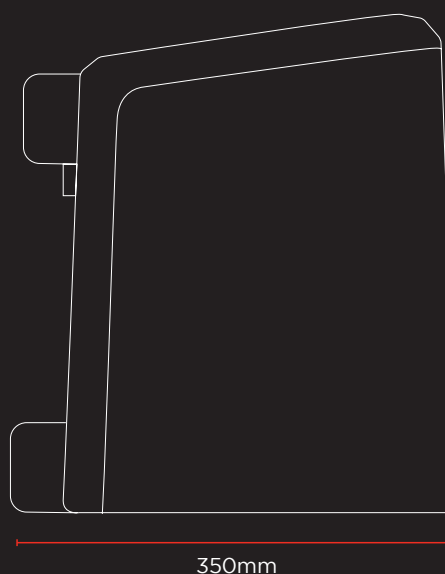

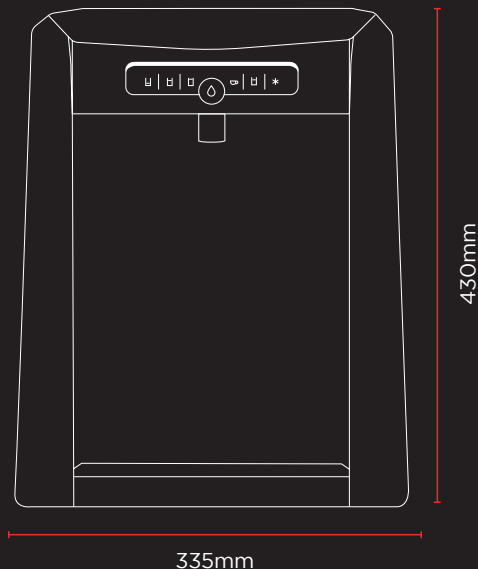

LED BUTTONS

The Oasis Polaris features a stylish LED illuminated touch-pad that's really easy to use. Two step action is also required to dispense boiling water for added safety.
