

PUQ Press Q

Automatic Tamper

PUQ Press Q is a standalone automatic tamper designed to deliver perfectly level, consistent tamps every time. Built for cafés with mid-range output, it removes the strain of manual tamping while improving work flow and extraction consistency. With adjustable tamping profiles, durable construction and a compact footprint, the PUQ Press Q sets a new standard for reliability, precision and barista comfort behind the coffee counter.

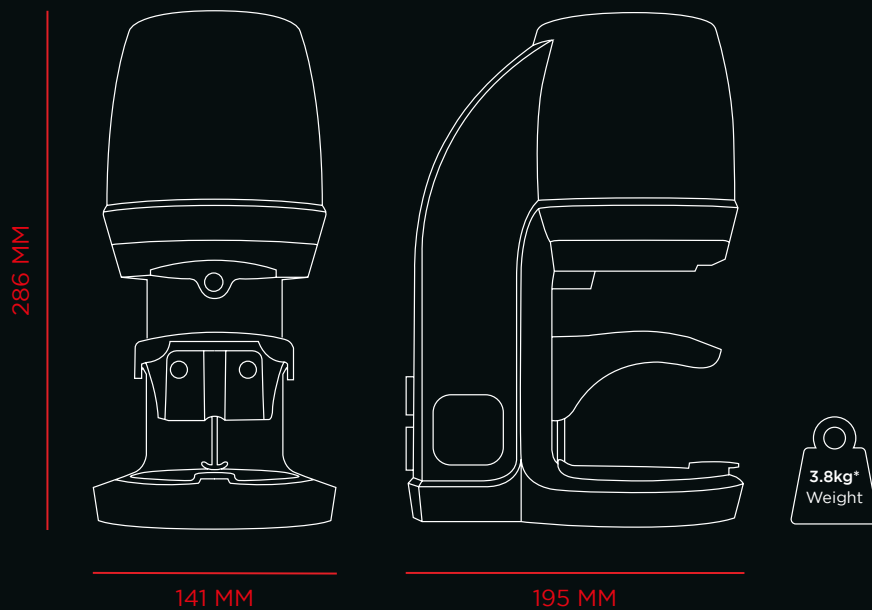

“

Perfectly consistent tamping that supports
baristas and protects performance, shift after shift.”
