

Schaerer Coffee Soul 10

Bean to Cup Coffee Machine

With contemporary styling, a revolutionary user interface and a menu of quality drinks to rival your favourite high-street coffee shop, the Schaerer Coffee Soul 10 is guaranteed to impress. This high-volume machine carefully crafts up to 250 cups per day and combines Schaerer's Best Foam milk technology and sophisticated extraction system to craft barista style beverages at the touch of a button.

Schaerer Coffee Soul 10

Schaerer Soul 10

Make it personal with this state-of-the-art bean to cup machine that produces over 200 unique coffee shop quality beverages without a trained barista. This machine is packed full of additional features that are sure to please everyone.

BEST FOAM

Arguably the best milk system on the market, the Schaerer 10's Best Foam milk technology creates barista-quality drinks with a smooth, creamy finish.

INTUITIVE TOUCHSCREEN

Equipped with a large 12.1" high-res touchscreen that's ideal for self service and can play advertising videos when not in use.

INTUITIVE USER MODES

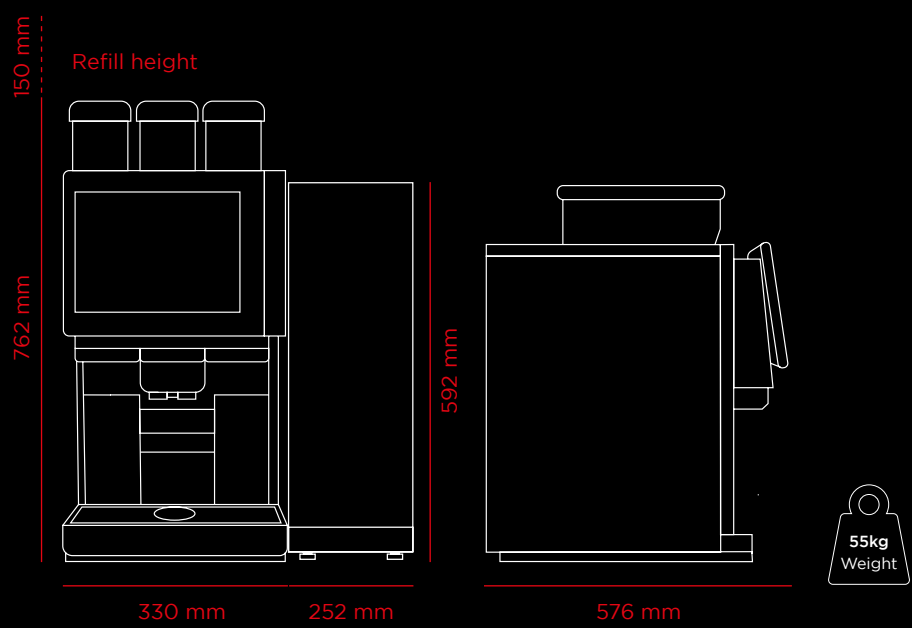

Provide regular users with short cuts to their favourite drinks, or new users with an intuitive step-by-step guide. Ideal for self-service environments, the Schaerer 10 is also exceptionally easy to use and maintain, with intuitive user guidance, quick selection and automated cleaning programmes.

“

This state-of-the-art bean to cup coffee machine offers true barista quality beverage at the touch of a button”
